# What is OGC?

---

**A hub for thought leadership, innovation, and standards for all things related to location**

## **Our Vision**

Building the future of location with community and technology for the good of society

## **Our Mission**

Make location information Findable, Accessible, Interoperable, and Reusable (FAIR)

## **Our Approach**

A proven collaborative and agile process combining consensus-based standards, innovation project, and partnership building

# Why You Should Sponsor the OGC Member Meeting

OGC meetings are a forum to share the latest and greatest on all matters in geospatial. Our meetings span domains from Defense to Agriculture, from EO to Transportation, from Digital Twins to Marine. Technical topics include Cloud, APIs, Internet of Things, and Augmented Reality/Virtual Reality. It's the one place where the location community from across the globe collectively solves some of the pressing issues of our time such as climate change, pandemics response, disaster preparedness and more.

# How to Become a Host or Sponsor

**This document serves as a guide to the Hosting & Sponsorship process and includes the following: Hosting & Sponsorship Options, Article 1, which serves as the official and binding contract, and Addendum A: Proposed Schedule.**

**Hosting and Sponsorship benefits are described below, for sponsorships that include customization, there will be an amendment which will include the specialized responsibilities for each party. Please review, choose the option that best fits the sponsor/host, fill in the billing information, sign below, and return to OGC.**

**Sponsor requests concerning meeting location, times and accommodations will be honored whenever possible; however, the OGC reserves the right to make final decisions based upon its policies and requirements. The OGC will manage or oversee all aspects of planning and staffing throughout the Meeting to ensure events operate under OGC Policies.**

**The Open Geospatial Consortium, Inc. (OGC) reserves the right to sell additional sponsorship for this event.**

# Hosting & Sponsorship Opportunities

**OGC values the contribution of our community to host and/or sponsor meetings. Hosts provide meeting facilities and amenities, either operated by the host, such as a campus, or contracted by the host, and sponsors financially support the execution of the meeting to cover costs ranging from facilities and meeting infrastructure to food and entertainment.**

**All Hosts & Sponsors will receive the following base-benefits:**

- ✓ **Listing on the Event Website by Sponsor level, with logo and hyperlink**
- ✓ **Sponsor acknowledgement in email marketing**
- ✓ **Sponsorship recognition on social media**
- ✓ **Sponsorship recognition during the OGC Kick-off**

**Open

## Event Host (Exclusive) <sup>sold</sup>

---

OGC Member Meetings are a unique opportunity for organizations to show their support of the OGC process and their commitment to open standards. Hosts provide the bulk of venue requirements including but not limited to:

- Provide Meeting Rooms based upon the proposed Schedule in Addendum A.
- Reserve a block of Hotel rooms for the attendees (minimum of 40 - 60) with availability of up to 100. All attendees pay their own hotel room bills.
- High-speed Internet Access Wireless or CAT5/6 (which allows us to set up our wireless and wired networks). Not dial-up or ISDN. We have many needs for communications such as email, VPN, Skype, and Web Conferencing so unrestricted access to major ports is preferred.
- Wednesday Evening Reception – OPTIONAL
- Printer and Copying facilities need to be available.
- Typical office supplies (tape, stapler, writing pads, pens, etc).
- Daily lunches - OPTIONAL
- A List of local restaurants for Lunch and Dinner.
- Local maps/tour books.
- Registration Table with power and Internet capability.
- Assistant (that is familiar with the area/language) to help at registration if necessary.
- Each room must be equipped with a Data Projectors (BEAMERS) and Screen (minimum).
- Microphone/Amplification System if necessary for Plenary Sessions.
- Three (3) polycom style conference speakerphones for teleconferencing.
- Powerstrips/extension cords for laptops throughout meeting rooms. Attendees are responsible for adapters and converters, but it is usually nice to have some available. Adequate power for a full room of 60-80 Amp laptops.
- Appropriate signage, if necessary, to direct attendees at the venue.

**Benefits are customized for the Event Host, often including but not limited to:**

- 10-15 Minute Keynote during the Opening/Closing of the Member Meeting
- Opportunity to recommend topics and speakers to steer the meeting conversation.
- Logo on all event signage and marketing materials
- Booth at the registration table
- Ability to host an “Interop-Day” open to the public. Customize event to promote business interests as it relates to OGC’s mission
